Rule IV.—(1) The Collector may permit the Contractor to import ganja from beyond the limits of the Civil and Military Station under passes in form C to be issued by him in communication with the authorities of the district from which the article is imported, provided the drug is of good quality and is not more than 18 months old. Rule V.—(1) Appendix N contains a paper giving particulars of the drug itself and some of the principal and most popular preparations thereof, as well as the character, analysis, actions, and uses, botany and economic value of the fibre derived from the hemp plant, and this will serve as a reference for any general information needed on the subject by any one concerned.

Rule VI.—(1) To enable Government to recover the duty on the drugs raised in or imported into the Civil and Military Station the following rules shall be observed:—

(3) Every person other than the Government contractor and retail vendors in the Civil and Military Station shall on or before the 1st December 1886, produce before the Amildar such ganja or the preparations thereof over five tolahs as he may have in his possession. (4) In case the drug is held by the outgoing contractor, he shall make it over to the incom-

The Collector shall fix the price of these and all other drugs on the market value of the drug (exclusive of profits) at the time of transfer or on the original invoices produced by the old contractor, adding cost of carriage. Any surplus stocks that may remain in the hands of the old contractor shall be ascertained by the Collector and a notice served for its removal within one month's time, under an export pass. A security bond shall be taken from the old contractor to protect Government interests for the time the drugs may remain in his possession. But in any case the new contractor shall be bound to make his own arrangements to provide for the requisite supply needed by him to go on with his contract independent of any such settlement as herein set forth. The old contractor shall further be strictly interdicted against inducing the retail vendors to purchase from him more than the average quantity likely to be required by them during the closing and especially the last month of the contract. This rule shall be strictly enforced.

(5) The contractor shall keep his stock at his wholesale shop and the licensed retail vendors shall keep their stock in their shops, and no where else. The custody of the drugs at the wholesale shop shall be entrusted by the contractor to some responsible person who shall be bound to take out a wholesale license in this behalf in the form (H), so that he may be made directly responsible for his acts. There is no objection to the contractor himself being such wholesale vendor, provided he holds, beside the contract bond, a wholesale license in the prescribed form (H).
